August, 2013

Dear Friend:

We are delighted to announce the 8th Annual Dancing for a Cure benefit on Saturday, December 14th and Sunday, December 15th 2013 at the Barnstable High School in Hyannis, Massachusetts. Dancing for a Cure is a holiday event of dance, inspirational stories, and music performed by talented artists of the Cape Cod community. More than 100 young women will perform in honor of all women affected by breast and ovarian cancer. All funds raised at this event as well as others throughout the year support cutting-edge research at the Dana-Farber Cancer Institute in Boston. Due to the charitable support of individuals, local businesses and corporations, Dancing for a Cure has raised more than \$200,000.

Our goal is to make a major impact in the fight against breast and ovarian cancer. One important way you can make our vision a reality is by donating an item for our auction or "opportunity baskets." This part of our event has been very successful and enjoyed by all who attend the show. We sincerely welcome and appreciate your participation!

Enclosed is the form that may be completed and returned with your merchandise, gift card, or other contribution. Donations may be mailed to the address at the bottom of the enclosed form or you may call to arrange for pick-up of your item.

Please feel free to contact Kathleen Forest at 508-360-5106 with any questions you may have. Thank you for your support and we look forward to seeing you in December at Dancing for a Cure!

Very truly yours,

Dancing for a Cure Committee
